Dockham Shores Water System Customers.
We hope you all had a fabulous holiday weekend!

With extremely high demand, hot temperatures, and no rain in sight; we are asking customers to refrain from outdoor watering more than 2 times a week.

Preferably Monday and Thursday Nights between midnight and 3am. Please work with us to maintain our storage levels as we navigate this issue.

We understand that this may be frustrating for some but it's the proactive approach LRWCO is taking prior to issuing any other outdoor restrictions!

Please check our website for updates!

As always, we thank you for your patience and understanding!
