Outdoor Water Use Ban for ALL Far Echo Harbor System Users Effective: Friday, Sept 12, 2025 Duration: UNTIL FURTHER NOTICE

Effective 9/12/2025 and lasting until further notice, a ban on **ALL** outdoor water use is in effect due to **DROUGHT CONDITIONS & Low Well Production.**

Outdoor water activities that are **PROHIBITED** include, but are not limited to:

- The use of water sprinklers, hoses or any lawn, garden or landscape watering devices and/or activities
- The use of water for washing vehicles & boats & structures
- No other unnecessary uses of water: watering plants, hosing down driveways, walks, decks
- ABSOLUTELY NO filling of swimming pools/hot tubs

If you are found to be using water outdoors, Lakes Region Water Company will disconnect service without further notice.

We understand this is an inconvenience, but your cooperation is absolutely necessary to protect & preserve your water supply.

Thank you all in advance for your patience and understanding.
